6 ~~(b) FINDING.—Congress finds and declares that~~
7 ~~Lechuguilla Cave and other significant cave resources of~~
8 ~~Carlsbad Caverns National Park and adjacent public lands~~
9 ~~in the cave protection area have internationally significant~~

1 scientific, environmental, and other values and should be
2 retained in public ownership and protected against adverse
3 effects of mineral exploration and development and other
4 activities presenting threats to those values.

5 (c) DEFINITIONS.—As used in this Act—

6 (1) the term “the Secretary” means the Sec-

8 (2) the term “cave protection area” means the
9 lands within the area depicted on the map referred
10 to in section 2(b).

11 (3) except as otherwise specified in this Act, all
12 other terms, including the term “public lands,” shall
13 have the same meaning as such terms have in the
14 Federal Land Policy and Management Act of 1976
15 (43 U.S.C. 1701 et seq.).

16 **SEC. 2. LAND WITHDRAWAL.**

17 (a) WITHDRAWAL.—Subject to valid existing rights,
18 the approximately 6,280 acres of public lands within the
19 cave protection area, and all other lands within the bound-
20 aries of the cave protection area which may hereafter be-
21 come subject to the operation of the public land laws, are
22 hereby withdrawn from all forms of appropriation or dis-
23 posal under the public land laws (including the mining and
24 material disposal laws) and from the operation of the min-
25 eral leasing and geothermal leasing laws.

1 ~~(b) LAND DESCRIPTION.—~~The lands referred to in
2 subsection ~~(a)~~ are the lands generally depicted on the map
3 entitled “Lechuguilla Cave Protection Area” dated April
4 1993 and filed in accordance with subsection ~~(c)~~.

5 ~~(c) PUBLICATION, FILING, CORRECTION, AND IN-~~
6 ~~SPECTION.—~~

7 (1) As soon as possible after the date of enact-
8 ment of this Act, the Secretary shall publish in the
9 Federal Register a notice containing the legal de-
10 scription of the lands withdrawn by subsection ~~(a)~~
11 and shall file such legal description and a detailed
12 map of the lands referred to in such subsection with
13 the Committee on Natural Resources of the House
14 of Representatives and the Committee on Energy
15 and Natural Resources of the Senate.

16 (2) The map and legal description referred to in
17 paragraph ~~(1)~~ shall have the same force and effect

3 ~~the Director of the Bureau of Land Management, pursu-~~
4 ~~ant to the Federal Land Policy and Management Act of~~
5 ~~1976 (43 U.S.C. 17901 et seq.) and other applicable law,~~
6 ~~including this Act.~~

7 **SEC. 3. MANAGEMENT OF EXISTING LEASES.**

8 ~~(a) SUSPENSION OF NEW DRILLING.—(1)(A) Effec-~~
9 ~~tive on the date of enactment of this Act, the Secretary~~
10 ~~shall not permit any new drilling on or involving any valid~~
11 ~~mineral or geothermal leases within the lands withdrawn~~
12 ~~by section 2.~~

13 ~~(B) If the Secretary deems it appropriate in order~~
14 ~~to prevent an adverse impact on Lechuguilla Cave or other~~
15 ~~significant cave resources of Carlsbad Caverns National~~
16 ~~Park and the lands within the cave protection area, the~~
17 ~~Secretary shall require suspension of any other activities~~
18 ~~with respect to such leases.~~

19 ~~(2) The prohibition on new drilling imposed by para-~~
20 ~~graph (1) shall remain in effect until the effective date~~
21 ~~of a record of decision regarding the proposal to drill ana-~~
22 ~~lyzed in the Dark Canyon Environmental Impact State-~~
23 ~~ment, or for 12 months after the date of enactment of~~
24 ~~this Act, whichever first occurs. Nothing in this subsection~~

1 shall be construed as requiring the Secretary to permit
2 or prohibit new drilling after such period.

3 ~~(b) NEGOTIATIONS.—(1) During the period specified~~
4 ~~in subsection (a)(2), the Secretary shall seek the agree-~~
5 ~~ment of the holders of existing valid mineral or geothermal~~
6 ~~leases on the public lands withdrawn by section 2(a) for~~
7 ~~the termination of such leases or to such restrictions on~~
8 ~~activities on lands covered by such leases as the Secretary~~
9 ~~deems appropriate to protect Lechuguilla Cave and the~~
10 ~~other significant cave resources of Carlsbad Caverns Na-~~
11 ~~tional Park and the lands within the cave protection area.~~

12 ~~(2)(A) With respect to any lease for which no agree-~~
13 ~~ment of the type described in paragraph (1) of this sub-~~
14 ~~section has been reached at the end of the period specified~~
15 ~~in subsection (a)(2), the Secretary shall take such steps~~
16 ~~as the Secretary deems appropriate in order to protect~~
17 ~~Lechuguilla Cave and the other significant cave resources~~
18 ~~of Carlsbad Caverns National Park and the lands within~~
19 ~~the cave protection area.~~

20 ~~(B) The steps referred to in subparagraph (A) may~~
21 ~~include acquisition of the lands covered by such leases or~~
22 ~~any interests therein. In the event of such acquisition, any~~
23 ~~lands or interests therein so acquired shall be managed~~
24 ~~pursuant to the Federal Land Policy and Management Act~~
25 ~~of 1976 and other applicable law, including this Act.~~

1 (3) To the extent the Secretary deems desirable, the
2 Secretary shall seek the cooperation of the State of New
3 Mexico and any other parties owning lands within the cave
4 protection area with respect to such restrictions on the
5 use of relevant lands owned by such parties as the Sec-
6 retary may suggest in order to further the protection of
7 Lechuguilla Cave and the other significant cave resources
8 of Carlsbad Caverns National Park and the lands within
9 the cave protection area.

10 **SEC. 4. ADDITIONAL PROTECTION AND RELATION TO**
11 **OTHER LAWS.**

12 (a) **ADDITIONAL PROTECTION.**—(1) If on the basis
13 of scientific analysis found by the Secretary to be relevant
14 and credible, the Secretary deems it appropriate to take
15 additional steps to protect Lechuguilla Cave or the other
16 significant cave resources of Carlsbad Caverns National
17 Park and the lands within the cave protection area, the
18 Secretary, pursuant to the authority of the Federal Land
19 Policy and Management Act of 1976 or other applicable
20 law, shall take such steps.

21 (2) To the extent the Secretary finds appropriate in
22 order to protect Lechuguilla Cave and the other significant
23 cave resources of Carlsbad Caverns National Park or the
24 lands within the cave protection area, the Secretary may
25 limit or prohibit access to or across lands owned by the

1 United States or prohibit the removal from such lands of
2 any mineral, geological, or cave resources except as the
3 Secretary may permit for scientific purposes.

4 (3) If the Secretary determines that existing law, in-
5 cluding this Act, provides the Secretary insufficient au-
6 thority to take any step the Secretary deems desirable in
7 order to protect Lechuguilla Cave or other significant cave
8 resources of Carlsbad Caverns National Park or the lands
9 within the cave protection area, the Secretary shall inform
10 the Committee on Natural Resources of the House of Rep-
11 resentatives and the Committee on Energy and Natural

16 ability of any party to seek compensation pursuant to
17 other applicable law, including but not limited to the
